CULTURE FESTIVAL

ANTALYA 2020

Who we are ? What is our goal ?

We started to organizing art & culture activities since 2006 and we have aimed to insist the feelings of sharing, friendship, love and respect into all people from all over the world on a common platform. In this context, we have been dedicated to make this topic happen by holding social and cultural events for 14 years.

Our organisation with its experienced staff search folk culture and tries to make our public and all the people around the world to enjoy and like the folk dancing.

We believe that the basic principle of World Peace and Friendship's being strong and permanent lays in bringing people together with various activities and letting them learn how to share.

We will always be intended to make the world's youth believe that they can make the world more beautiful by emphasizing the importance of sharing and also to insist the feelings of brotherhood, peace, love and respect into them so they can understand each other better.

We are honoured and glad to serve for the whole world's peace and friendship.

*We would like to invite your group to our folk culture festival
in Antalya TURKEY.*

Place of Festival - ANTALYA

Antalya, the Turkish Riviera is the most stunning part of Turkey's Mediterranean coast. It is typical of Turkey, a thriving modern city, with a historic heart in the centre of Kaleiçi within the old city walls.

Antalya has a backdrop of stunning mountain scenery, and the city is set high on cliffs, with many of its grandest hotels overlooking the sea on the outskirts of the town. The beach area of "Konyaaltı", approximately 5 km to the west is home to the best beach in the area, known for its golden sand, which is rapidly becoming a resort in its own right. Heading up into the mountains, you can make the most of the beautiful scenery by visiting the spectacular Düden or Kurşunlu waterfalls. At Saklıkent, just 50 km away from the city centre, you can even ski, where they usually have snow on the slopes until early April.

Antalya has a large number of 5 star hotels, many of which have meetings facilities, and this, together with the Pyramid Congress Centre which can hold up to 3000 delegates make it a popular venue for culture events. There are many holiday resorts like Alanya, Belek, Kalkan, Kaş, Kekova, Kemer, Olympos, Patara, Side within the borders of Antalya region.

Are you ready to discover beautiful city Antalya ?
